TO WHOM IT MAY CONCERN

This is to certify that **Ms. Shruti Dhungana** worked with us in the company under the "Internship Program" from **January 03, 2022 to March 30, 2022**. As per the training schedule, she was placed in **Front-end(React)** department.

She performed following tasks during the internship program:

- movie searching platform using react hooks and OMDB (Open Movie Data Base).using open weather database to know the weather of the city, a ecommerce platform
- to integrate the API in the login page
- Create a pop up, implement swiper slider to slide the card component for Laxmi Bank App.
- worked on concepts; React class based components, React hooks such as useState, useEffect, useRef and context API, axios API and async await in axios.

We found her to be sincere, energetic, and committed towards the responsibilities entrusted to her. We take this opportunity to thank her for all the contributions and wish every success in her future accomplishments. We hope that she will maintain it in the days to come.

Please feel free to reach out on the contacts below, if you have any specific questions regarding her training period.

Sincerely,

Anjila Maharjan
